

Cleaning & Disinfecting

RAMPART® has been third-party tested for its reaction to a variety of cleaning and disinfecting chemicals as per the industry standard ASTM D543. Results verify that there was no damaging effect when the wall protection was tested with the following agents, which meet the **EPA List N criteria for use against COVID-19:**

- Benefect® Botanical Decon™ 30 Disinfectant
- Lysol® All Purpose Cleaner
- Oxivir® TB
- PeridoxRTU®
- PureGreen 24 (Axen® 30)
- Virex® Tb RTU

RAMPART can also be safely cleaned and disinfected with any of the following:

- Ammonia
- 1:4 bleach/water solution
- Atomic Degreaser
- CaviWipes™
- Citrace® Hospital Disinfectant and Deodorizer
- EcoLab® Neutral Bathroom & Floor Cleaner
- EcoLab® Peroxide Multi Surface Cleaner
- EcoLab® Quaternary Disinfectant Cleaner
- Fantastik®
- Formula 409®
- PREempt™ RTU
- Spic and Span®
- Wex-Cide
